#### **Date**

19<sup>th</sup> & 20<sup>th</sup> April, 2014

#### **Venue**

Indira Auditorium, Kamineni Hospitals  
L.B.Nagar, Hyderabad- 500068, Ph: 040-39879999

Dear Colleagues,

It gives us immense pleasure to invite you for "NEWS 14", Neurosurgery Educational Workshop and Seminars, 2014. The two days colloquium will be conducted on 19th & 20th April 2014 at our institute – Kamineni Academy of Medical Sciences and Research Centre, LB Nagar, Hyderabad.

The concept of NEWS is to cover varied topics in Neurosurgery which appear simple, may be missed in a major platform, but are important in day to day practice of Neurosurgery. To make this educational workshop more interactive and unique we have tried to introduce the concept of voting pads. This will help the speaker/faculty in knowing one's opinion and ideas regarding management of a case/disease and make the deliberation more lively.

This platform of NEWS is based on the backbone of knowledge sharing, a transition from **How I do it to How we can do it.**

The program includes lectures by faculties from the fraternity of Neurosurgery who are more than ready to interact and share their experiences in line with the current evidences. They will be covering basic and recent Neurosurgery topics, with case discussions, symposium. We believe that this program will be expedient for Practitioners, Neurosurgery DNB and MCh residents.

Looking forward to interact with you all at NEWS 2014.

With regards,

**Dr. Subodh Raju,**

Course Coordinator and Organizing Secretary,  
Sr. Consultant, Dept of Neurosurgery,  
Kamineni Hospitals & Kamineni Academy of Medical Sciences  
L.B.Nagar, Hyderabad-500068.
