Shoulder and Knee Arthroscopy Cadaveric Workshop (Basic)-2015

Dear Friends,

We are glad to announce the Shoulder and Knee Arthroscopy Cadaveric Workshop (Basic) on May 10th 2015. Theme of the course is '**SHOULDER AND KNEE ARTHROSCOPY**'. The one day event will be aimed at providing an exhaustive knowledge platform on the basics, fundamentals, recent advances and controversies in shoulder and knee arthroscopy. The programme has been planned keeping in mind the needs of both experienced and young arthroscopy surgeons. The event will host eminent arthroscopy specialists who will share their knowledge and skills through panel discussions, didactic lectures, master videos, and hands on cadavers. There will be emphasis on practical aspect, interactive learning, and the problems, which are faced on day-to-day basis by arthroscopy surgeons. We hope this one-day event (conference and workshop) will make you more confident in day-to-day practice in the field of arthroscopy.

Welcome you all to this one of a kind event in our Hyderabad.

Registration on first come first serve basis for workshop participants (20 seats only)
