## CME

# A FOCUS ON **DIABETES MELLITUS**

On occasion of [World Diabetic Day](#) celebrations, the Department of Community Medicine is organizing, one day - CME programme, on 21<sup>st</sup> November 2015, Saturday, at Kamineni Academy of Medical Sciences and Research Centre, L.B. Nagar, Hyderabad.

All are cordially invited to participate in the CME Programme.

The World Diabetes Day logo is the Blue Circle - the global symbol for diabetes. The significance of the circle symbolizes 'life and health' and the blue reflects the Sky, that unites all Nations.

The programme is designated to focus on various aspects of Diabetes Mellitus like Epidemiology, Management, Diagnosis, Lab investigations and Role of Yoga & Naturopathy in prevention of diabetes mellitus.

The programme will be of immense value to the postgraduates and faculty of various departments who deal with diabetes in their routine work.

We look forward to your active participation for success of the programme
